

RIDE TO SUPPORT BRC!

Trail-bike Enthusiasts!

The Dust Devils Motorcycle Club of Nevada puts on an epic event every year, known as the Ride Reno 200. This year they are really charged up to donate to the BlueRibbon Coalition (BRC) to help in the fight for your recreational access.

The 2013 Ride Reno 200 takes place in Reno, Nevada, September 13-15, 2013.

Amidst the many insanely cool things to do at the Ride Reno 200, you can join BRC's Executive Director and numerous others on the epic Adventure Ride!

As an added incentive, a portion of entry fees from those signed up for the **Adventure Ride** will be donated to BRC. The more that sign-up for the **Adventure Ride**, the bigger the donation!

This event is one of the best Adventure and Dual Sport rides in the west, period (National Air Races are an added benefit!)--call: **(775) 224-0361** or visit the Ride Reno 200 website (<http://brc1.us/ridereno2013>) and jump on this ride before the last slot is gone! (Limited number of slots available)
