FOOT NOTES

112 - Fits stock throttle housing. Use with accessory bar end mounted hand-guards requires drilling out end cap, which will void warranty. Can be used with open end MX hand guards without any modification. **117** - 01-0094 and 01-1170 reel diameter is 37mm. The OEM reel size for 2007-2012 RMZ 250 and 2007 RMZ450 is 40 mm, which will make the throttle a little slower and may require free length adjustment on the throttle cable to make sure the throttle can be fully opened. **123** - Australian Model
